

Creative Learning Environments International Professional Conference 2020

AUTHOR'S STATEMENT

AUTHOR'S DATA:

Name and surname: _____

Title of the contribution: _____

With my signature I therefore confirm that:

- this article is exclusively the result of my research/work;
- I correctly quoted the other authors, whose literature was used in my contribution;
- that all other literature and authors' opinions are listed in the literature, which is a part of this contribution;
- I am aware that plagiarism, nevertheless how it is presented and using others' work as mine, is in contrary with academic ethics and with the expected lawyer moral beliefs; so it therefore means severe violation of rules and regulations, responsible for that field; therefore, I am, as well responsible of the consequences, that this kind of violation brings;
- the contribution was proofread and designed in coherence with the instructions for the contribution writing, published on the website of the Conference.
